MANDATORY REQUIREMENTS

You are required to read this section and the more detailed **New Student Guide** sent with your Offer letter or available at <https://www.georgebrown.ca/international/accepted/nextsteps/>. For students who deferred from the previous semester, re-applied and received an offer to the September 2021 semester, you are also required to follow these steps and read the updated guide.

OTHER CRITICAL STEPS

Reset Your Password

- If you have not already reset your password, you will need to log in at <https://service.georgebrown.ca> with the Student ID and Password you received on your Letter of Acceptance, create a new password and set-up some security questions. Your new password will be valid for one year and will expire automatically every year.
- If you have problems with your password or you are unable to log in to Stu-View or you have difficulty registering for courses, please call 1-416-415-2000 or 1-800-265-2002 for help. Press option 1, then press 0 to speak to an agent directly. You can also contact <http://ask.georgebrown.ca/> for help.

Register for Courses

- **Register online** for the courses in your program at <http://stuvview.georgebrown.ca/> using your Student ID and Password. The registration start date for programs and respective semesters will be available on Stu-View on **July 09, 2021**. Online registration will start on **July 19, 2021**. Choose your courses and register as early as possible after registration opens or the course may fill up and you will not be able to take it when you want to.

Arrange for Placement Testing for English/Math

Most post-secondary students are required to take the Placement Test for English or Math or both depending on individual program requirements. There is no fee for the test.

- You are **not** required to take the Placement test if you:
 - have already taken an Admissions Assessment (test) to be admitted to the College. For students who have already taken the Admissions Assessment, the results of that test will be used to place you in the appropriate English and Math courses.
- **OR**
 - are applying for a Post-Graduate Certificate or Degree program
- Placement Testing determines if you are ready to take the college-level courses in English and/or math in the first semester, or if you need to take a foundation-level course first to further develop your skills. Therefore, the Placement Test is a very important part of your academic success. The Placement Test is not a pass or fail.
- Please check the programs requiring placement testing at <https://www.georgebrown.ca/assessment/placement/> and arrange for your Placement Test(s) through Stu-View when registering for your courses (see previous section). Plan to visit the Information about Assessment page at <https://www.georgebrown.ca/assessment-centre/testing-services/placement-assessments> to prepare, so that your test results place you in a course that reflects your skill level.
- It is best to take the Placement Test as early as possible. There is a deadline to take a Placement Test. **However, for those still outside Canada, please check your options** at <https://www.georgebrown.ca/assessment-centre/testing-services/placement-assessments> before classes start. If you do not take the Placement Test, you will be automatically placed in foundation-level courses. The last day to take the Placement Test for English & Math for students who were automatically placed in foundation course(s) is September 13, 2021 (first year students only).
- Remember, if you take the test and achieve the appropriate score on time, you may be exempted from Foundation level and go straight to College-level English and/or math. If you get this exemption, you won't have to pay extra course fees.
- If you are placed in a Foundation-level course, the course will be automatically included in your timetable (in block-based programs) or will be available for registration through your Stu-View account (in course-based programs). Your placement into a foundation-level course will not affect your start in the program and you will still take your core courses scheduled for the semester.
- Upon successful completion of your Foundation-level course(s), you will be able to take College-level English and /or mathematics course(s). **You will be charged a full course fee for the additional course(s)** when you register for your College-level course, usually in Semester 2. This fee could vary, but may range from \$1000-1500 for international students. If available, you may also be able to take an evening equivalent of this College-level course through the George Brown Continuing Education department at a lower fee. Please see here for availability: <http://coned.georgebrown.ca/>

Activate your George Brown Student E-mail Address

- Your George Brown e-mail account must be activated to receive communication from College staff and teachers at <http://www.georgebrown.ca/studentemail/index.aspx>

Attend Classes by the Deadline Date

September 13, 2021 is the last date to attend the program in September 2021. There are no extensions past that date. Students who fail to attend the first week will not be admitted into the class. If you are not able to arrive and be in class by **September 13, 2021**, you must do two things:

One, you must immediately withdraw from the program to avoid being charged one semester's fees by going to this link at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/ to withdraw and or request a refund of fees paid less the administrative charge. Complete the Withdrawal/Refund form and send to intlwithdrawal@georgebrown.ca right away.

Two, if you want to defer to the next available intake, notify your Admissions Officer immediately for instructions on deferring your program.

Deferral to a future term, however, does not guarantee you a seat as programs could already be closed due to the volume of applications already received.

Please note program deferrals to the next semester will not automatically withdraw you from already registered courses so it is very important to follow step one above.

SPECIAL NOTE ON PROGRAMS WITH WORK INTEGRATED LEARNING (WIL) COMPONENTS (CO-OP, INTERNSHIP, EXTERNSHIP, FIELD PLACEMENTS, ETC)

We anticipate that all aspects of programs will be fulfilled before graduation. Please note that the timing of when certain components are completed may shift depending on guidelines from Public Health Officials and the Government.

REQUIRED VISAS AND PERMITS (With the evolving Covid-19 pandemic, we recommend that students and applicants stay up to date with any immigration policy changes that relate to the current situation. Please visit

<https://www.canada.ca/en/immigration-refugees-citizenship/services/coronavirus-covid19/students.html>.)

Study Permits

- A valid Study Permit (Visa) must be obtained at the Canadian Consulate/Embassy nearest you to study at George Brown College. Students currently holding a study permit/visa and transferring from high school/secondary are now allowed by IRCC to study at post-secondary institutions as long as the Study Permit is valid.
- All Study Permit applicants must record the George Brown College **Designated Learning Institution (DLI) Number** O19283850612 on their study permit applications. (Note that the first character of the DLI number is a capital letter O and not a zero).
- International students are now required to **submit a copy of their Study Permit electronically** to the International Centre. Please visit applynow.georgebrown.ca/International/studypermitupload to upload a copy of your study permit and enter a few pieces of information from your permit. You will receive a notification once it has been accepted by International Centre staff.

Work Permits

- International students who are undertaking any kind of field education, regardless of length, paid or unpaid, must have a valid co-op work permit, which can be applied for at the same time as your study permit.
- The work permit is a document required by Immigration, Refugees and Citizenship Canada (IRCC) before you can start your field placement, work placement, externship, practicum or volunteer work, even if they are unpaid.
- For programs that require clinical placements or internships involving healthcare settings and or interaction with families, the elderly and children in Canada, students applying for a Study Permit and/or Work Permit are required by the Canadian Consulate/Embassy to undergo a medical exam by a Panel Physician. Students must complete this exam at the time that they apply for their study permit and/or work permit.
See <https://www.canada.ca/en/immigration-refugees-citizenship/services/application/medical-police/medical-exams.html> for more information.
- Medical exams performed by a Panel Physician are valid for up to 12 months. If you completed a medical exam for your visa application and it is still valid, you may be able to submit proof of this medical with your application for a co-op work permit. The IRCC medical exam is in addition to completing the mandatory program-specific pre-placement health forms which may be required by your academic department (see <http://www.georgebrown.ca/preplacement> for details).

Additional Medical and Police Clearance Required

- For clinical/work placements for **Community Services & Early Childhood, Health Sciences, H402 (Food & Nutrition Management) and H119 (Culinary Management-Nutrition)** and other programs, if placed in a health care setting) and other programs, you are required to complete a separate medical exam upon arrival in Ontario.
- Some programs require a **Police Vulnerable Sector Check (PVSC)** in Ontario before any placements can begin. Please see <http://www.georgebrown.ca/preplacement> for details.
For any questions on these additional requirements, contact Suzette Martinuzzi at 1-416-415-5000 ext.3415 between 8am-4pm or by e-mail at smartinu@georgebrown.ca. Students in Early Childhood Programs should email ece@georgebrown.ca for their Pre-Placement requirements.

WITHDRAWALS & REFUNDS

- **If you are unable to come to the College due to visa processing delays, visa refusal or for various other reasons**, you must inform the International Centre at intlwithdrawal@georgebrown.ca (in writing with supporting documents) on or before **September 20, 2021** to avoid being charged the full fees for one semester. A **Withdrawal/Refund Form** must be completed and is available online at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/. Send the completed form to intlwithdrawal@georgebrown.ca.
- A minimum \$1,000 non-refundable fee will be charged for withdrawal and refund if form is submitted before the deadline (\$100 for visa refusal with visa refusal letter attached). Otherwise you will be charged the full semester's fees.
- Please note program deferral requests to your Admissions Officer to the next semester will not automatically withdraw you from already registered courses. You must inform the International Centre before September 20, 2021 to be withdrawn from registered courses to avoid being charged the full semester's fees. Please go to this link at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/ to complete the form and send it to intlwithdrawal@georgebrown.ca before the deadline.
- Deferral to a future term does not guarantee you a seat as programs could already be closed due to the volume of applications received.
- Refund requests for submitted fee payments whose acceptance to programs were expired or revoked for non-confirmation by the offer expiry date will be charged a non-refundable \$100 administrative fee
- Fee payments made originally by credit card can only be refunded to the same credit card used. Fee payments from overseas received by electronic bank transfer will be returned only to the originating bank account.
- Refunds are made in Canadian currency and, therefore, the final amount that you may receive will depend on the foreign exchange rates at the time the refund is processed. The College is not liable for loss of funds due to currency exchange.

If you have any questions, contact your **Admissions Officer: Chitra Sriram** at csriram@georgebrown.ca

We look forward to seeing you in September 2021!
