## Report on Ride of Investment

L.S.Raheja College of Arts and Commerce under Bachelors of Commerce (Financial Markets) Department in association with Zell education conducted a 6 day training workshop on how to invest in stock market. 35 students from BFM department enrolled themselves in the interactive program between 21<sup>st</sup> February-7<sup>th</sup> March, 2018. The events were as follows:

### Day 1

Invest in everyday-used stocks like TCS, Colgate, Maruti, HDFC and understand the gist of the industry

### Day 2

Read the Financial Statements of the companies invested in on Day 1

### Day 3

Understand how to value the companies invested in to gauge the right price to buy them.

### Day 4

Macro-factors like RBI rate change, demonetisation, Trump, etc. and how they affect YOUR INR 500/-, not the country or the economy as a whole.

### Day 5

Sell the stocks to get a complete circle of investing experience.

The value add here is that IMMEDIATELY, by the coming Monday, the student can make sure he can take INR 5,000/- and put it in the equity markets with confidence that he would not lose it out of lack of knowledge.

### Day 6

Speculation for interested students.

After the successful completion of the training the students received a certificate and the students showing great promise may also be placed for an internship in a broking firm.

## EXECUTIVE SUMMARY

### Background:

Technological advancement has made a great impact on teaching and learning process. Digital Literacy is another step forward towards the digital information era. In this 21st century digital world. Digital literacy is the set of skills essential for survival and growth in a knowledge society. More digitally literate academicians and the more employment of these skills in the classroom will develop a strong digital citizenship in our students and will help to bridge the digital divide. Simply searching an answer through internet is not enough, there is need to explore a wide variety of information sources, evaluate, create, and communicate information using digital technologies. It is essential to make appropriate and responsible use of internet and technology with the knowledge about citation matrix and academic plagiarism. The main purpose of the workshop is to enable the academicians to cope with diverse ICT modes, to access, process and communicate the digital contents for academic needs.

### Objectives

The main objective of this workshop was to upgrade the digital skills of Academicians and Library Professionals who are committed to develop student learning abilities and the transferable skills relevant to employment ensuring that graduates have the learning abilities to be successful not only in their academic endeavours but are also able to apply these in the world of work.

The workshop further to provide comprehensive hands on practical experience on:

- How to create blog for organizing and sharing the information
- Use of Google forms for online survey
- Use of online resources for teaching and research purpose
- Use of online reference manager: Zotero for collecting and organizing research information and sources.
- Use of Citations Metrics and Plagiarism detection software to promote academic honesty and integrity

### Participants

The workshop was well attended. There were 66 participants in the workshop while the workshop was planned only for 40 participants. The participants invited were Teaching faculty and Library Professionals from the academic institutions. The participants had teaching experience and practical background in research. The list of participants is attached as **Annexure: III**

### Methodology

Dr. Debajit Sarkar, Principal and Ms. Parita Desai, Librarian welcomed and addressed the audience in relation to importance of digital literacy and skills, the academicians needs to have to be a digital literate and help the student to be digital literate citizen in this digital era.

The workshop was divided into three sessions the details of which is given in **Annexure: I** and list of Resource person is given in **Annexure: II**

#### **➤ Session I:**

The first session was conducted by Mr. Maneesh Jha on "How to create blog, Use of Google forms and Google Drive". The resource person was introduced and welcomed by Dr. Preeti Vasvani. The session was interactive, informative and the hands on practices helped the participants about:

- Use of Blog for sharing information with academicians and students and reaching to the doorstep of students.
- Use of Google drive to store and share large database and provision of remote access of such database.
- Use of Google forms for conducting online survey, which will help academicians in online data collection and analysis of feedback. Which ultimately will helps the academicians in smooth and quick qualitative research.

The session was ended with vote of thanks from Dr. Preeti Vasvani.

#### **➤ Session II:**

The second session was conducted by Dr. Sabtosh Hulagabali on "Exploring scholarly information online and Academic Search Engines: Google Scholar". The resource person was introduced and welcomed by Mr. Rahul Dandekar. His session was thorough, informative, persuasive and extremely interesting without leaving out important facts. His session helped the academicians with respect to:

- Use of various search strategies for conducting effective search to access pin pointed information for teaching and research purpose.
- Strategies to conduct authentic and qualitative research work.

The session was ended with vote of thanks from Dr. Preeti Vasvani.

### ➤ Session III:

The third session was conducted by Dr. S. M. Pujar on "Online Reference Manager: Zotero, citations Metrics (H-Index, I-Index and Impact factors and Plagiarism detection software". The resource person was introduced and welcomed by Ms. Dhvani Rathod. Session was effective and interesting and his expertise in the subject helped the participants to understand:

- Use of ZOTERO: Online reference manager for effective management of online resources with the knowledge of management of citations of various styles like APA, Chicago etc.
- Use of free Plagiarism detection software to ensure qualitative original research work.

The session was ended with vote of thanks from Ms. Nalini Raja

During the last session the participants also responded to a feed back questionnaire on the workshop by individually answering the questions in it. The feedback was encouraging. The participants also made some recommendations. The feedback has been analyzed and the salient features are presented in **Annuxure IV**.

Ms. Parita Desai, Librarian thanked all the participants, teaching and non-teaching staff and library staff for making workshop a great success. Officially workshop was closed at 5.30 p.m. The participants received their participation certificates during the closing session.

Overall, the workshop was successfully conducted under the guidance of Dr. Debajit Sarkar, Principal and support of Library staff.

## Workshop on Social entrepreneurship, Swachhata and Rural Engagement under DLLE

On Thursday, 15th October 2020, DLLE in association with MGNCRE, Ministry of Education – Govt of India organised a workshop on “**Social entrepreneurship, Swachhata and Rural Engagement**” for the students enrolled in DLLE. In the workshop the following key points were addressed like to understand the vision of SESREC, to promote social entrepreneurship and to share case studies and real life examples in SESREC. The resource person for this workshop was Dr. V. Krishna Priya and she covered all the key points in the workshop very effectively. The workshop was attended by 77 DLLE students of our college. The students received good insights about how to become a Social entrepreneur and what are the responsibilities that are expected to be delivered by such young social entrepreneurs. The workshop was very well received by most students giving a positive feedback and review for the workshop.
