## SES's L.S. RAHEJA COLLEGE OF ARTS AND COMMERCE

### BOARD OF STUDIES – ACCOUNTANCY & FINANCE

#### RESOLUTION:

##### Background:

1. The Chairman informed the Board that certain courses of the First Year of certain programs (list attached) carry 3 credits. As per University guidelines, the assessment pattern for courses carrying 3 credits must be for 75 marks. However, inadvertently, the assessment pattern approved in the Board meeting in April 2024 was for 100 marks. The Chairman informs the Board that the error is regretted and proposes that the assessment pattern for courses carrying 3 credits be revised for a maximum of 75 marks, instead of 100 marks with retrospective effect. The revised assessment pattern would consist of 30 marks internal assessment and 45 marks external assessment. The rubrics for the assessment have been modified to reflect the change in the assessment pattern.
2. The chairman informed the Board that internal assessment for the courses carrying 3 credits referred to above have been conducted as per the rubrics approved for 100 marks assessment ie. 40 marks. The chairman proposes that the marks obtained by the students for these courses be proportionately converted from 40 marks assessment to 30 marks assessment.

##### Resolution:

1. Resolved that the assessment pattern for following courses carrying 3 credits (as per list) be revised for a maximum of 75 marks consisting of 30 marks internal assessment and 45 marks external assessment with retrospective effect.

Dear Madam / Sir,

The meeting of the Board Of Studies - Accountancy was conducted on Saturday , 27th April,2024 at 3.00 pm. The members of the BOS suggested some changes which have now been incorporated by the department. The summary of the changes is as follows :

4. **FYBBI SEM I Major Fundamentals of accounting** - As per suggestions made in module I theory and practical aspects specified.
5. **FYBBI Sem I VSC Management of Financial Services** - As per suggestion made, basic fundamentals of Finance / Services have been included.

Dear Madam / Sir

The college has offered certain courses for 3 credits. However, the assessment rubrics for the same had been earlier approved as per the format applicable for 4 credit courses. We need to revise these and align the assessment pattern as required for 3 credit courses.

Please find a resolution to that effect for your approval. Requesting your approval for the same.
