Dear Samya Maam,

At the outset, my sincere apologies to everyone for missing the meeting the other day and for the delayed response. I was to travel the evening of the meeting for about a month to an area with sketchy to no internet and that morning a very close friends mother passed away and I had to be there to help and assist them.

I got late last week and have looked at the mail and its annexures and they appear to be proper and is approved.

I once again regret and apologise for the delay and will be available going forward.
